(5) Discussion on the Resolution seeking disapproval of the Ravi anad Beas Waters Tribunal Ordinance, 1986 and consideration and passing of the Ravi and Beas Waters Tribunal Bill, 1986, as passed by Lok Sabha.

SHRI LAL K. ADVANI (Madhya Pradesh): Mr. Chairman, Sir, you would recall when the Session commenced, we from the Opposition had met you and suggested that it would be in the fitness of things if the various episodes relating to espionage are discussed those that had been continuing since the last one year and some of that have come up lately in respect of which some of my colleagues made personal explanations. You were inclined to agree that some time will be found.

Secondly, lately during the past week or so, several episodes have come up all together, in Maharashtra, in Haryana and in Rajasthan, which make it desirable that the role of the Governors should be discussed in this House before we adjourn on the 20th.

Lastly, the point which I would like to make is that we should not be taken by surprise if the Government proposes to bring in the Bill relating to Muslim women before the House is adjourned. We should be informed about it, because it is a very important measure. If the Government does not propose to bring it now, as indicated by the programme announced, then it is all right, but we should not be taken by surprise. That is all.

MR. CHAIRMAN: So far as discussion on the espionage case is concerned, I have already intimated to all the leaders of the Opposition in view of the fact that the Government have taken a stand that any discussion will be covered by the proceedings in courts and it would be *sub-judice*. I thought it was not proper to have a discussion on it.

Yesterday some of the leaders had come and asked me to give my ruling on the privilege motion. I am considering it and I shall give my ruling on the privilege motion.

Now we take up Special mentions.

Shri Shantit Tyagi. Not here. He is absent. Shri Mohanarangam.

REFERENCE TO THE DELAY IN GRANT OF LETTERS OF INTENT FOR LOCATION OF INDUSTRIES IN TAMIL NADU.

SHRI R. MOHANARANGAM (Tamil Nadu): *Sir, I would like to bring through* out you to the notice of the Central Government that 84 applications for grant of letter of intents for location of industries in the State of Tamil Nadu have been pending with the Central Government for the last three years without any favourable action on them.

[**Mr. Deputy Chairman** in the Chair]

For the past ten years no major industry has been set up in the State of Tamil Nadu. Even applications forwarded by the State Government to the Central Government in this regard were not considered favourably. This is indeed a very serious matter. I feel the people of Tamil Nadu should not be deprived of their due share Time and again on the floor of this House as well as in the Lok Sabha Members from South especially from Tamil Nadu have pleaded and pressed for setting up new industries in our State. But so far nothing has been
